

# COMMISSION SHEET

(Updated: 03/10/2026)

Hello! I want to draw your *fantastic OC* for money!

But I'll tell you this:

**\*\*I (ANIMATEDAMADEUS), have the right to refuse any request that I am unwilling to draw\*\***

## *Prices & Descriptions:*

- Doodle baby: \$20
- Comic Panel (Halfbody): \$35
- Fullbody Pose: \$45
- Character Sheet: \$115 (\*\*5 drawings of your guy: 2 head, 2 full, 1 doodle baby\*\*)

## *Extras:*

- Retro 3D tropical island background: +\$44
- Extra character: +\$11
- Certain poses, expressions, or clothes: FREE, just tell me, please

## *How it works:*

1. Message me on any platform you'd like (social/email/discord). Please have your character sheet, a list of your wants and *desires*, and (OPTIONAL) reference photos of what you'd like to see!
2. Payment is 100% upfront. Once paid, I'll send stages of commission (sketch, line art, final color) for you to approve. Final color is the last stage to make changes/alterations.
3. Once completed, I'll send you a PNG via Dropbox link. (\*\*Note: ALL commissions will have a small watermark for the artist's credit\*\*)
4. SAVE THE PNG- the commission will be deleted from Dropbox after a week of completion to preserve space.
5. You have a drawing. Congratulations! (Yes! Post it! Please tag me: @animatedamadeus!)
